

Scientific Communication Writing Assignment Rubric – Peer Evaluation

Name: Mst. Fariha Tasnim Busra

Assignment Reviewed: Number ٦٩

Content:	Good
Audience:	Good
Organization:	Needs Improvement
Format, spelling & grammar:	Good
Citations:	Excellent
Rationale for choosing the topic:	Excellent

General Feedback:

I think the article is little bit difficult to understand for everyone, and it's not properly organized. But I think if you work on the topic and rewrite in a different style, it will surely be understandable for everyone. And I am glad that you chose this topic and wanted to make people aware of Down Syndrome more deeply. My best wishes are with you. <3

Overall Assessment (excellent, good, needs improvement):

Good
