Professor Sophia Mao

Emily Balch Seminar: Asian American Popular Culture

Event Write-Up (10 points total)
Length: 2-3 pages (please observe the page limit)
DUE BY: Friday, 12/11 uploaded to Moodle by 5PM

During the semester, you are asked to attend ONE academic event (either at Bryn Mawr or elsewhere) that is related to ethnic studies, such as a research talk, a book launch, an art exhibition, etc. In 2-3-pages, summarize the event and reflect on how it may intersect with any of our course texts, topics, and debates. You may attend your chosen event at any point during the Fall semester, but your write-up is due, at the latest, by Friday, 12/11. (Rather than waiting until the last minute to complete the assignment, I recommend taking short notes during the event and completing your write-up as soon as possible).

Note: If you are unsure whether the event you would like to attend is appropriate for this assignment, please check in with me in advance.
