

PART-TIME MSS PROGRAM (FOR STUDENTS ENTERING AY 2020-2021)

Overview:

- Two Courses in fall and spring semester in year one.
- Field Education/Internship is added in years two and three.
 - Evening and weekend placements may be available but cannot be guaranteed. For students employed in human service organizations, work-site placements may be possible if approved by the Field Education office.
 - Advanced year field placements may also be undertaken 2 days/week over an extended number of weeks instead of undertaken 3 days/week.
- Required courses and practice courses are offered in the evening or on Saturday at GSSWSR. Some elective courses may be offered in a hybrid format that will include a combination of hybrid/on-line courses and on-site instruction.
- Beginning in Year 2 students will need to take some summer courses to complete the program in three years. Summer courses meet two times per week. Each summer session (Summer I and Summer II) is five weeks long.

Notes:

- Should part-time students have availability during the day, they are able to enroll in day-time courses at the GSSWSR.
- Students in the part-time program will be able to complete all program requirements but may not have access to all the elective content offered at the GSSWSR.
- Financial Aid considerations require that students take at least two courses/term to be eligible for financial aid. Summer I and Summer II, together, equal "one term".
